## Introducing Daylite Flashlights from DURACELL®

Duracell is proud to introduce a new line of flashlights that provides everything a consumer could possibly want, all backed by a lifetime guarantee.

- A single high-power LED for class-leading output is featured on most models.
- Revolutionary TrueBeam Optics™ provide a brighter, more focused beam with greater penetrating power (except KDAYH3LDSE04L).
- Aluminum body versions feature unique spot-to-flood with even, consistent light across the entire range of focus, without dark spots or rings.
- Machined aluminum body with knurling for a more secure hold featured on most models.
- Rear button for a professional overhand grip on most models.

Powered by the most trusted name in batteries: Duracell.

**KDAY2DSE04A**
